# *Veasey & Sons Fishmongers*

**est.2010**

Back in 2009, Fisherman Chris Veasey had an idea to cut out the middleman and start selling his locally caught fish direct from his boat to customers at East Grinstead Farmers Market. His fish was greatly received and so Fisherman (Chris) and Chef (Dan) decided to join together and open a wet fish shop in Forest Row. A lot has happened since we opened on 7 April 2010; we continue to have a great reputation for quality and service; and a loyal following.

We have won numerous awards such as “The Best Food Shop in Sussex” for 2 consecutive years, “Fishmonger of the Year 2014” and an award for “Outstanding Customer Service” for 2015. We were also a finalist for the BBC Radio 4’s food & farming awards for the category “Best Local Food Retailer”, a finalist for the “High Street Hero” award through Sussex Life magazine and winners of “Fishmonger of the Year 2016”.

**Have a Merry Christmas from all of us at
